Trio completes delivery to Sonera's mobile office solution

Trio has completed a delivery of an add-on order worth approximately 2 Msek for a continued expansion of the capacity in Sonera's mobile office solution for the Finnish corporate market. The order is based on Trio Mobile Office, a concept for mobile operators, enabling customers to switch from fixed to mobile telephony, either fully or in part.

"Mobile phones are an increasingly important business communication tool. Trio Mobile Office has been developed with a view to enhancing the offerings made by mobile operators to their corporate customers", says Sverker Hannervall, President and CEO of Trio.

Trio Mobile Office enables either a direct or a gradual transition from fixed to mobile telephony with maintained essential corporate telephony functions and features. The services is available on a subscription basis from mobile operators and is installed by Trio in the operators' networks as a turnkey solution.

Mobile operators in the Nordic region that offer mobile office solutions based on Trio Mobile Office are Sonera, Telia Mobile, Telenor Mobil, TDC Mobil and Vodafone.
