## Trio signs co-operation agreement with Nokia Networks

**Trio AB has signed a marketing and promotion co-operation agreement with Nokia Networks for the Mobile Office line of products.**

Trio and Nokia Networks will co-operate in promoting Mobile Office solutions towards mobile operators. The companies see complementary synergies in their respective product portfolios and customer relations and have agreed to pursue this on the mobile operator market.

“Trio sees this as an important step forward in gaining a wider and further access to customers based on the world-wide operation and well established position of Nokia in the mobile operator market”, says Sverker Hannervall, President and CEO of Trio.

### **About Trio**

Trio is a telecommunications company that develops call handling systems for companies, enabling them to improve both internal efficiency and customer service levels. Almost 2,000 systems have been delivered in the Nordic region, mainly to large and medium-sized companies. Trio's customers include five of the leading Nordic mobile operators. Trio operates in Sweden, Finland, Norway and Denmark and develops three product families. *Trio PresentOffice* offers integrated telephony and advanced call and message handling; *Trio Mobile Office* enables a complete transition from fixed to mobile telephony and is subscribed to as a service from mobile operators; *Objecta TeleVoice* offers solutions for customer support, mainly interactive voice response systems and contact centre solutions. Trio's shares are listed on the O list of the Stockholm Stock Exchange. For further information, please visit our website at [www.trio.com](http://www.trio.com)
