New Managing Director for Scandiaconsult Sverige

Bent Johannessson has been appointed as Managing Director of Scandiaconsult Sverige AB and head of the Swedish operations, and will also retain his position as Director of Region West at Scandiaconsult Sverige AB.

"Scandiaconsult has a strong earnings trend and an organization that has been stable for many years. With Bent Johannessson at the helm, we will have business-minded managing director with solid experience of managing consulting operations. He will be the unifying force needed to successfully lead a company with excellent development potential, says Flemming Bligaard Pedersen, Managing Director and CEO of Rambøll."

"I look forward to contributing to the ongoing development of our Swedish operations. It is important that we continue working with "the company's best team" in assignments that offer scope to exploit the combined experience and resources found in our entire Nordic organization. Together with can offer our clients cross-border expertise, says Bent Johannessson, Managing Director of Scandiaconsult Sverige AB."
