EQT Finalizes Sale of Vaasan & Vaasan to Capvest

On 3 March 2004 EQT completed the divestment of Vaasan & Vaasan and its subsidiaries to Capvest.

EQT is a group of private equity funds with equity commitments exceeding EUR 3 billion. EQT Partners, acting as investment advisor to all EQT funds, has offices in Stockholm, Copenhagen, Helsinki and Munich. EQT realises its business concept by acquiring and developing high-quality medium sized companies in Northern Europe. EQT serves as an active owner and works in close co-operation with the management of the companies it acquires, to develop and implement value-enhancing strategies.
