### **Vattenfall updates press image service for journalists**

Vattenfall is improving its service to journalists with a new joint Press Image Bank on our web sites in Sweden, Germany and Poland. There we will provide portraits of executive management and key persons at Vattenfall as well as photos of our plants, net operations and other activities. The pictures come with captions and information in the language of each country respectively.

Press images are available in high and low resolution and may be downloaded from the press pages of [vattenfall.com](http://vattenfall.com), [vattenfall.se](http://vattenfall.se) and [vattenfall.pl](http://vattenfall.pl). They may be published free of charge in connection with news reporting, provided that credit be given to the photographer if his/her name is shown in the Press Image Bank. If not, just credit Vattenfall.

Welcome in at [www.vattenfall.com](http://www.vattenfall.com). Chose "news and comments", and then "press image bank".

Having just started this service, we would appreciate your opinion and suggestions for new material from the start. Please call our Press Department, telephone +46-(0)8-739 50 10 during office time or send a mail to [press@vattenfall.com](mailto:press@vattenfall.com)

Kind regards,

Martin May
