## Press release

2004-12-06

### **Aerogulf Services Company LLC signs exclusive agreement for training of helicopter pilots with SAS Flight Academy AB**

SAS Flight Academy has reached a three-year agreement with Aerogulf Services for training of helicopter pilots.

Aerogulf Services is one of the longest-established aviation companies in Dubai having been set up in 1976. It is the emirate's only company specialising in the lease and hire of helicopters primarily for the offshore and marine industries as well as the tourism sector.

Other helicopter training that SAS Flight Academy offers are NVG Basic and Recurrent courses, HEMS, Instructor Course and for the Bell/AB 412/212 Type Rating training, Recurrent training, Technical refresher course, Difference course and dry lease of simulator.
