

## **Mikael Nachemson new President of Bure Equity AB**

**The Board of Directors has appointed Mikael Nachemson as the new President of Bure Equity AB. He will take over on 1 February 2005.**

Mikael Nachemson is joining Bure from Investment AB Öresund, which was merged with the investment company, AB Custos, of which he was President, earlier this year. Before that, Mikael Nachemson was President of E. Öhman J:or AB.

"I am extremely pleased that we have succeeded in recruiting Mikael as the new President of Bure. He has a long experience of running and developing service companies and he has just left his assignment as President of a listed investment company. Mikael has the financial experience we have been looking for and he will be an excellent addition to Bure's management team", says Patrik Tigerschiöld, Chairman of Bure.
