SWECO acquires FM Konsulterna

SWECO's subsidiary SWECO Projektl dning has strengthened its position as a Facilities Management advisor through the acquisition FM Konsulterna.

FM Konsulterna is a specialised provider of consulting services within the field of Facilities Management. The company has six employees and is active throughout Sweden.

"FM Konsulterna is a company with valuable knowledge in an exciting and fast-growing sector. The acquisition will further sharpen our cutting-edge expertise in the FM area, with a wider range of services and stronger capabilities in facilities maintenance and service. The company is a good match for SWECO Projektl dning and our ambition is to grow with these services in several locations where we can be close to our largest customers" says Bo Carlsson, Managing Director of SWECO Projektl dning.

SWECO Projektl dning is one of Sweden's leading project management consultancies with 120 employees at 12 offices throughout Sweden. Its operations include project management and other management services primarily for the construction and real estate sectors.

SWECO is the Nordic region's leading consulting company in the fields of engineering, environmental technology and architecture: SWECO FFNS, SWECO BLOCO, SWECO Theorells, SWECO VBB, SWECO VIAK, SWECO Projektl dning, SWECO Position, SWECO Energiguide, SWECO Connect, SWECO Gr ner and SWECO PIC. The SWECO share is quoted on the O list of the Stockholm Stock Exchange.
