

LOT Polish Airlines has chosen SAS Ground Services for ground handling in Scandinavia

LOT Polish Airlines has today signed an agreement with SAS Ground Services for ground handling in Scandinavia. The agreement covers ground handling services at Copenhagen Airport in Denmark, Gardermoen in Norway and Arlanda in Sweden.

The agreement entails a new contract for ground services at Copenhagen Airport, which is effective from June 15, 2005, and a renewal of the contracts for Arlanda and Gardermoen, effective from January 1, 2005. This means a total of approximately 50 flights per week.

LOT Polish Airlines chose SAS Ground Services after a comprehensive evaluation of several offers.

-SAS Ground Services are extremely happy to have concluded an agreement with a Star Alliance member as LOT Polish Airlines, says Ludmilla Lindecrantz, Vice President, SAS Ground Services International.
