

PRESS RELEASE

Västra Frölunda, August 25, 2005

Artimplant employs Ms. Susanne Hamilton as Product Manager Odontology

Ms. Hamilton has broad experience from the business as Nordic Sales Manager for the implant company Cresco, CEO of Friadent, Sales & Marketing Manager for Dental depot Björn Elfvin AB and she has run her own hygienist practices in Stockholm.

Ms. Hamilton will assume her new responsibility during September 2005

"Her experience from Sales and Marketing within the Odontology Market strengthen the Company as we expand on our Biomaterial Platform Artelon® in to these markets", states CEO Tord Lendau.
