

Announcement

Bure sells its entire holding in Scribona equivalent to 22.6 per cent of the shares and 19.3 per cent of the votes. The transaction provides Bure with a liquidity contribution of SEK 175M and a capital loss of approximately SEK 5M. The transaction consists of 79.000 A-shares and 11.478.089 B-shares. After the transaction, Bure no longer has any ownership in Scribona.

"Bure is an investment company whose primary emphasis is on long-term ownership of unlisted companies with strong and stable earnings. Scribona therefore does not fit into our strategy. In January this year we sold a major part of the shares, now we sell the rest of our holding", says Mikael Nachemson, President of Bure.
