New appointments to SAS Technical Services management team

Chief Financial Officer

Pär Christiansen (33), Bachelor of Commerce and Graduate Engineer, has effective September 1st 2006 been appointed Chief Financial Officer at SAS Technical Services AB.

Pär Christiansen has since 2003 held various key positions within the SAS Group: As a leader for development projects at Inflight Services and as a member of Corporate Business Control, where he was overall responsible for the Group's cost control programme, "Turnaround 2005". Since year 2006 Pär Christiansen has been a member of the management group of SAS Airline Support Businesses, where he has worked with strategic development projects, quality development etc. Pär Christiansen is also a member of the boards of SAS Technical Services, SAS Ground Services and SAS Media.

Chief Commercial Officer

Lars Kleppe (46) has effective September 1st, 2006, been appointed Chief Commercial Officer at SAS Technical Services AB, where his primary goal will be to strengthen the company's customer focus.

Lars Kleppe joins SAS Technical Services from a position as Managing Director and Board Member at Balfour Beatty Rail AB, which is dedicated to the development and construction of railway infrastructure. Lars Kleppe has also held key managerial positions as Divisional Director and Marketing/Sales Manager at Adtranz Sweden and was previously employed by ABB.
