Pointsec appoints Martin Leamy to lead U.S. operations

STOCKHOLM, Sweden, September 21, 2006 – Pointsec, the global leader and the provider of the de facto standard for enterprise security software for laptop and desktop PCs, PDAs and smart-phones, has appointed Martin Leamy as President of Pointsec Mobile Technologies Inc., the company's U.S. subsidiary. He succeeds Thomas Blitz, who is retiring from the company.

"Martin is the ideal candidate to lead our operations in Pointsec's largest market," said Peter Larsson, CEO, Pointsec. "He brings a solid track record of managing growth and implementing operational improvements."

Most recently, Martin Leamy was Executive Vice President and General Manager at Lakeview Technologies. He brings further enterprise software experience from his nine years with Platinum Technology, where he led and developed a business unit focused on systems management, growing sales from \$45 Million to \$200 Million over four years.

Martin Leamy will join Pointsec on September 26, 2006.

About Pointsec

Pointsec is the worldwide de facto standard for mobile device security – with the most customers deployed, highest level of certification and more complete device coverage than any other company. Pointsec delivers a trusted solution for automatic data encryption that guarantees proven protection at the most vulnerable point where sensitive enterprise data is stored – on mobile devices. By securing sensitive information stored on laptops, PDAs, smartphones, and removable media, enterprises and government organizations can protect and enhance their image, minimize risk, shield confidential data, guard information assets, and strengthen public and shareholder confidence. Pointsec's customers include blue chip companies and government organizations around the world. Founded in 1988, Pointsec Mobile Technologies AB is a wholly owned subsidiary of Protect Data AB, publicly traded (PROT) on the Stockholm stock exchange. The company has two U.S. offices, 11 EMEA offices, and six APAC offices. Pointsec can be found on the web at: www.pointsec.com.
