ECOVISION TICKER NEWS AGENCY NOW AVAILABLE ON BLOOMBERG

Ecovision has announced that its Ticker News Agency is now available as a subscription service on the BLOOMBERG PROFESSIONAL[®] service, the global platform for data, news and analytics.

Ticker News Agency is a subsidiary of Ecovision AB, one of Sweden's leading distributors of financial information. The main users of Ticker News Agency are Banks, Stock Brokers, professional investors and treasury departments.

"The availability of Ticker News Agency on Bloomberg means that a large group of the professional market will get the possibility to access to Ticker News Agency's real-time information," says Per Rastin, Managing Director of Ecovision AB.

"The addition of Ticker News Agency to the BLOOMBERG PROFESSIONAL service is also recognition of Ticker News Agency's high quality and importance for the professional market," says Per Rastin.

Ticker News Agency sells its financial news through Ecovision Protrader, and various feed and data solutions, as well as the BLOOMBERG PROFESSIONAL service. Ticker News Agency is accessible on the BLOOMBERG PROFESSIONAL service via the function TICA.

About Ecovision

The Ecovision Group has the following business areas: Ecovision ProTrader – with real-time financial information, Ecovision Solutions - developing and operating customized trade- and information services, Ecovision Finansanalys with financial data to the media sector and the Ticker News Agency, with real-time news for the financial markets.
