

## SAS Ground Services chosen by Malaysia Airlines at London Heathrow

Malaysia Airlines chose SAS Ground Services as their new provider of ground handling at London Heathrow. The agreement is valid from May 16.

Malaysia Airlines operates two daily flights with Boeing 747-400 between London and Kuala Lumpur.

"We are pleased to appoint SGS as our new Ground Handler and look forward to developing a long-standing relationship", says Syed Abdillah Aziz, Regional Manager UK & Ireland for Malaysia Airlines.

"Malaysia Airlines is a customer with high quality standards and we are delighted to have been selected as their provider. They are also the first long haul customer to our recently established ramp organization at London Heathrow ", says Christer Svensson, Managing Director for SAS Ground Services UK. "Since November last year we offer full ground handling, which improves our ability to compete in the market."
