

PRESS RELEASE

Nefab wins order from automotive industry in Belgium

Nefab has received an order from Yazaki in Belgium. The order means deliveries of reusable packaging and amounts to about SEK 10 M.

Yazaki is one of the world's largest manufacturers of wires for the automotive industry. Nefab's products shall be used in flows from Thailand to Ford's assembly plant in Belgium.

"The order from Yazaki shows that it is profitable to use reusable packaging even for long distance transportation. In this case between Asia and Europe", says Lars-Åke Rydh, CEO Nefab. "The order is a result of our focus on the segment for wires to the automotive industry", Rydh continues.

The business area NEFAB RePak includes packaging for several uses. In 1999 the business area corresponded for approximately 20% of Nefab's total turnover.
