Press release

Lars Enslöf new CEO

Lars Enslöf, former Deputy Managing Director of Graninge AB (publ), has by the Board of Directors been appointed new Managing Director and CEO.

Lars Enslöf, 56 years old, has been active within Graninge since 1977. He was appointed Deputy Managing Director from 1983. He succeeds Bo Källstrand who earlier this year was appointed President for International Division within Electricité de France (EDF).

Lars Enslöf holds a Master's Degree in Business Administration from the University of Umeå and a Ph.D. in Economics.
