NASDAQ has been hosting investor programs in Europe for over 12 years and they have grown to become the largest institutional investors programs for U.S. equities in Europe. Year to date NASDAQ international investor programs have hosted 105 NASDAQ-listed companies, which represents 26% of NASDAQ's total NASDAQ market capitalization.

Details of how to access the web casts live on these dates or afterwards in archived form can be found at the NASDAQ Institutional Investor Center at <http://investors.nasdaq.com/>.

About NASDAQ

NASDAQ[®] is the largest electronic screen-based equity securities market in the United States. With approximately 3,100 companies, it lists more companies and, on average, trades more shares per day than any other U.S. market. It is home to companies that are leaders across all areas of business including technology, retail, communications, financial services, transportation, media and biotechnology. NASDAQ is the primary market for trading NASDAQ-listed stocks. For more information about NASDAQ, visit the NASDAQ Web site at www.nasdaq.com or the NASDAQ Newsroom at www.nasdaq.com/newsroom/.
