### **Telelogic Signs 3.0 MEUR Renewal Agreement with Leading Global Telecommunication Vendor**

**MALMÖ, Sweden and IRVINE, California – December 28, 2007** – Telelogic (Nordic Exchange/MidCap/TLOG) today announced that a leading global telecommunications vendor has renewed its one-year licence and maintenance agreement for core components of Telelogic's Solution for Enterprise Lifecycle Management (ELM), with a value of 3.0 million Euro.

The agreement includes licenses for Telelogic Focal Point™ for product management and product portfolio management, Telelogic Tau® for Model Driven Development™ (MDD™) of complex systems and software development, Telelogic Rhapsody® for Model Driven Development of Embedded Systems and Telelogic DOORS® for requirements analysis, definition and management.

"Telelogic's solutions deliver powerful benefits to companies across the entire lifecycle - from deciding what to build to designing, developing and delivering it", said Anders Lidbeck, President and CEO of Telelogic. "Telelogic is still the first choice when world-leading telecommunications companies need solutions to deliver and succeed in today's dynamic and competitive market."

#### **About Telelogic**

Telelogic is the leading global provider of software solutions for Enterprise Lifecycle Management (ELM). Award-winning Telelogic software helps customers design, develop, and deliver the world's most advanced and innovative products, systems, and software more efficiently by aligning and optimizing development lifecycles and business processes with business objectives and customer needs. Telelogic helps customers improve quality and predictability while reducing time-to-market and overall costs. Headquartered in Malmö, Sweden with U.S headquarters in Irvine, California, Telelogic conducts business in more than 40 countries. More than one third of the Fortune Global 500 companies use Telelogic software including market-leading aero/defense, automotive, financial services, software/electronic and telecommunications companies and governments worldwide. For more information, see [www.telelogic.com](http://www.telelogic.com).
