## PRESSRELEASE

### Henry and Gerda Dunkers Donationsfond 2 offers call optionprogram in Trelleborg

Henry and Gerda Dunkers Donationsfond 2 has decided to offer certain management executives of Trelleborg to purchase call options which carry rights to purchase shares of series B in Trelleborg AB. The call options will be offered at market price.

The purpose of the offering is to promote long-term commitment for Trelleborg AB and to encourage management executives to become shareholders in Trelleborg AB in the future which is important for the commercial development of Trelleborg AB.

Nine management executives have purchased 255.000 call options at a price of SEK10.98/option.

Each call option will entitle to purchase one share of series B in Trelleborg AB during the period March 15, 2008 – March 15, 2012 at an exercise price at SEK 125.50.

The board of Trelleborg AB has been informed of this offer. Trelleborg do not participate in the offer and will not have any expenses in connection with the offer.

Donationsfond 2 is one of five legal entities within the "Dunkerfoundations" which controls 13.4% of the shares and 55.5% of the votes in Trelleborg AB.
