Anoto Group AB Signs New Contract for Interactive Media Application

Anoto has signed a contract with a world leading global manufacturer of visual communication products. Under the contract, Anoto will deliver technology and pens to be used in upcoming visual communication products. The order value represents around 800.000 Euro in revenue during 2008.

- The visual communication product area is a very interesting field for Anoto. This contract will open up new business opportunities for Anoto-enabled interactive media applications, says Anders Norling, CEO at Anoto Group AB.
