*Gunnebo Industrier AB is an international group of industrial companies with operations in 15 countries and worldwide co-operations with around 50 major distributors/agents. The group is engaged in the development, manufacture and marketing of chain and lifting components, fastening systems for the building industry, blocks/systems for heavy lifting, non-skid products and telescopic ladders. The business is conducted through the Fastening, Lifting and Technical Products (which comprises the business units Blocks, Telescopic and Traction Systems) business areas. Gunnebo Industrier markets well-known products in established market segments, and is market leader in each product and/or market area. Annual sales amount to more than SEK 2 billion and the group has around 1,500 employees. For more information, see [www.gunneboindustries.com](http://www.gunneboindustries.com).*
