Peab Industri receives order for winter road maintenance

Peab Industri has received an order from the municipality of Kalix for winter road maintenance during the coming three years. The total order value amounts to SEK 25 million.

– We have received orders for several new assignments within our transport- and machinery services operations in Norrland and thereby within a short period of time established our operations under the brand name of Clifton, says K-G Karlsson, deputy CEO of Peab Industri. This gives us a good base for further expansion.
