

Press Release

July 24, 2008

Sverker Hannervall appointed Head of Business Services

Sverker Hannervall was recently recruited from Cisco to head up TeliaSonera's business to business sales organisation in Sweden from August 1, 2008. In addition to those responsibilities, he has now been appointed Senior Vice President and Head of the Business Services sales division in Sweden and Finland.

Sverker Hannervall, aged 48, has a long and broad experience from the IT- and telecom industry. Most recently, he was General Manager of Cisco Systems in Sweden, a position he held since 2004. He is a board member of Teligent AB and has held a number of leading positions within Trio AB, Telelogic and IBM. He also acts as an advisor to the private equity firm InnovationsKapital AB. Sverker Hannervall has an MSc in engineering from the Royal Institute of Technology (KTH) in Stockholm.

"Sverker Hannervall has vast experience in managing high performing sales organisations in a highly competitive environment. His background will be very valuable to TeliaSonera and I welcome him as a member of the executive management team." says Lars Nyberg, President and CEO.

Sverker Hannervall succeeds Juho Lipsanen, who as previously communicated has left the TeliaSonera group.

TeliaSonera AB discloses the information provided herein pursuant to the Swedish Securities Markets Act and/or the Swedish Financial Instrument Trading Act. The information was submitted for publication at 7.45 a.m. CET on July 24, 2008.

Forward-Looking Statements

Statements made in the press release relating to future status or circumstances, including future performance and other trend projections are forward-looking statements. By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. There can be no assurance that actual results will not differ materially from those expressed or implied by these forward-looking statements due to many factors, many of which are outside the control of TeliaSonera.

TeliaSonera provides telecommunication services in the Nordic and Baltic countries, in Spain and the emerging markets of Eurasia, including Russia and Turkey. We are the leading European provider of quality cross-border voice, IP and capacity services, provided through our wholly-owned international carrier network. In 2007, TeliaSonera's net sales amounted to SEK 96 billion, and at the end of December 2007 the total number of subscriptions exceeded 114 million in 18 countries. The TeliaSonera share is listed on the Stockholm Stock Exchange and the Helsinki Stock Exchange, and the company is included in the Dow Jones Sustainability Index. Simplicity and service are important tools for us in creating profitable growth and value for our customers and shareholders. Read more at www.teliaSonera.com
