## **Anoto Group Signs Further New Contract for Interactive Media Application**

Anoto has signed a contract with a world leading supplier of office products. Under the contract, Anoto will deliver technology and pens to be used in upcoming visual communication products enhancing their existing product portfolio. The order value represents around 500.000 Euro in revenue during 2009.

- This is the third contract for visual communication products signed during 2008 and proves that the visual communication product area including interactive whiteboards is a very interesting field for Anoto. This contract will open up new business opportunities for Anoto-enabled interactive applications, says Anders Norling, CEO at Anoto Group AB.
