## **Elanders AB (publ)**

### **International success for Elanders AB**

Elanders has been appointed principal supplier to Ericsson Mobile for mobile telephone manuals to their English factory in Carlton. The manuals will be produced by Elanders Hindsons Ltd. in Newcastle, which is part of the business area Infologistics.

The contract is worth between MSEK 50 – 70 annually.

Elanders is already Ericsson Mobile's principal supplier in Sweden. Through collaboration the two companies have developed efficient and rational production solutions that have now led to international expansion.

This fortified collaboration lies completely in line with Elanders' strategy on international acquisitions in the markets where multinational customers are active, in order to further develop and strengthen our partnership with customers.
