## **Morphic Releases Prospectus for Preferential Rights Issue**

- **Information about subscriptions by holders of class A-shares**

Morphic Technologies AB (publ) ("Morphic") will today release a prospectus for the issue of new shares with pre-emption rights for existing shareholders announced by the Board of Directors in a press release on September 19, 2008 (the "Rights Issue"). The prospectus is available on the company's website, [www.morphic.se](http://www.morphic.se), and on Nordea's website, [www.nordea.se/placera](http://www.nordea.se/placera), and will be distributed to shareholders who were registered in the company's register of shareholders on the record date, September 26, 2008. The subscription period for the Rights Issue is September 30 to October 13, 2008.

### **Subscriptions by holders of class A-shares in the Rights Issue**

There are currently six holders of class A-shares in Morphic, of which five are private individuals and one is Mariegården Investment AB owned by a limited number of private individuals. Holders of class A-shares include founders of Morphic and individuals who have financially supported Morphic's development since the company's founding. All holders of class A-shares in Morphic have undertaken to use their full entitlement to subscribe for new class A-shares in the Rights Issue. A number of holders of class A-shares have also undertaken to use their entitlement to subscribe for new class B-shares. A number of holders of class A-shares may need to sell portions of their existing holdings of class B-shares or portions of their allocated subscription rights for class B-shares to fund their subscription of new shares in the Rights Issue. Any such sale will be carried out in the most advantageous manner possible for Morphic and the Rights Issue.
