ConNova.

ConNova specializes in developing and supplying business support systems for multimedia operators handling pay-TV, the Internet, broadband and telecom services. The company has 15 year's experience of the industry. ConNova's services extend from consulting services to the development of software adapted to meet the market's latest requirements. Within the framework of ConNova TVX AB, ConNova also runs customer services on an assignment basis for European pay-TV operators. ConNova's current customers are mainly to be found in the fields of cable TV, DTT (Digital Terrestrial Television), multimedia and telecommunications.

At the international exhibition for billing systems in London in May 1999, ConNova's customer management system BizManager was awarded two honourable mentions, one for "Overall Best Contribution to Billing" and the other for "Most Innovative Billing Product".

The ConNova Group AB (publ) has been listed on the OM Stockholm Stock Exchange's O list since 1997.
