Custos moves to the "O-list"

AB Custos' Board of Directors has decided to list the company on the "O-list" instead of on the "A-list" of the OM Stockholm Stock Exchange.

"The decision has been made from both the company's and private shareholders' point of view. From the company's point of view the cost of being listed is lower on the "O-list" and for private shareholders it is more advantageous from a capital transfer tax-perspective if Custos is listed on the "O-list", says Christer Gardell, CEO of Custos.
