PRESS RELEASE

CFO appointed for SSAB

Marco Wirén has been appointed as CFO of SSAB. He has served as acting CFO since August and now takes over the role on a permanent basis.

"Marco possesses a solid background within accounts and finance at other companies and, after one year with us, has become well acquainted with SSAB", says SSAB's CEO Olof Faxander.

Marco Wirén, born 1966, was recruited to the position of VP Business Controlling at the SSAB Group just over a year. He succeeds Martin Lindqvist, who has been Executive Vice President, Strip Products Division since August 1.

Marco Wirén holds a Master in Economics degree from Uppsala University and has previously served as CFO at Eltel Networks and held various executive positions within the NCC group.

***SSAB**, a global niche producer of high strength steel with a leading market position and productivity, develops solutions in order to increase the competitiveness of its customers.*
