

# Svenska Handelsbanken

## Press release

Stockholm 24 October 2000

### **New Executive Vice Presidents at Svenska Handelsbanken**

In connection with Lars O Grönstedt's appointment as President and Group Chief Executive of Handelsbanken, the Board of the Bank has appointed two new Executive Vice Presidents of the Bank.

Björn G Olofsson will be Head of Business Development. He is currently Head of Strategic Infrastructure at the same unit.

Anders H Johansson is currently Head of Central Data Production. This unit will in future also be responsible for administration, support and staff in the IT area.
