

CARDO GETS ORDER FOR HANGAR DOORS IN POLAND

Cardo's division Door & Logistics Solutions is to supply several hangar doors for hangars located at various airfields throughout Poland. The order is worth SEK 21 million. Most of the doors will be delivered before the end of 2008.

"The doors will be produced at our Megadoor plant in Skellefteå, Sweden, and the order is a result of our ability to meet their specific requirements and need of delivery before the end of this year," says Peter Aru, Cardo's President and CEO.

Under the Megadoor brand, Cardo sells doors up to 150 meters wide to airports, shipyards and the mining industry worldwide. Megadoor offers both vertical lifting and horizontal sliding doors.
