## **Pia Ekedahl new Human Resources Director at Setra Group AB**

**Setra Group has employed Pia Ekedahl as new Human Resources Director. Pia Ekedahl will take over the post in August.**

Pia Ekedahl currently works as Head of Human Resources at the bio fuel company Talloil. She has previously held the same post at Dalkia Facilities Management AB, which is part of the Dalkia Group and is an international contractor with services in property management technique and energy.

“It feels very challenging to join Setra at this stage, when a new organisation with a new and more customer-oriented way of working is developing. A lot of things are happening in Setra, naturally that has an impact on the human resources area,” Pia Ekedahl says.

For further information, please contact Pia Ekedahl, + 46 70 488 59 19, or CEO Kent Torwald, +46 8 705 03 13 or +46 70 636 74 03.
