About Intentia International AB (publ).

Over the past few years, Intentia International AB has concentrated on positioning itself to meet the demands it anticipated would arise from the new e-economy era. Intentia has developed its Movex product from a traditional ERP system to a complete e-collaboration solution

that can manage all the demands of the new economy. Movex offers Intentia's customers the key to success, with its applications for customer relationship management (CRM), enterprise resource planning (ERP), supply chain planning & execution (SCPE), partner relationship management (PRM), business performance management (BPM) and e-business.

Intentia is well-positioned to respond to market needs when the "e" (electronic) evolves into "c" (collaboration), working hard to satisfy customers through its organization of more than 3,800 professionals serving in excess of 3,500 customers in over 40 countries around the world. Intentia is a public company traded on the Stockholm Stock Exchange (XSSE) under the symbol INT B.
