Anoto Group AB receives 3600 pen order from UK

Lund, 8th of January 2009 – Today, Anoto Group announced an order of 3600 pens for the UK market for immediate delivery. The pens will be used as part of a contract in the government sector awarded to a consortium involving Anoto partners, inphoActive and PaperIQ. Up to 1,000 additional pens will be required as part of the 3-year contract.

- The government sector is a very important one for Anoto and we are pleased to see yet another adoption of our digital pen and paper technology. We have had several installations in the government sector in different countries in the past but this is one of the largest single orders to date, says Anders Norling, CEO, Anoto Group.
