Information prior to Skanska's nine-month interim report

Skanska's portion of SPP's surplus

Skanska's portion of SPP's surplus amounts to about SEK 420 M. This is an increase of approximately SEK 100 M compared with figures released earlier. The amount represents the absolute portion of SPP's surplus and has not been discounted with regard to the set payment period.

SEK 80 M was reported for the period January through September with respect to SPP's surplus among the items affecting comparability included in operating profit, which pertains to the amount paid to date of SPP's surplus. In total, items affecting comparability will amount to SEK 1,040 M for this period.

Treatment of the remaining amount of SEK 340 M is still subject to evaluation and will be reported during the fourth quarter.
