Peab builds Highway 41 in Halland

Peab has been commissioned to build a new stretch of Highway 41 between Veddige and Järlöv outside Varberg. The client is the Swedish Road Administration and the contract sum amounts to SEK 102 million.

The project includes construction of four kilometres highway without any junctions, two bridges and one kilometres railway. In addition, conversion of a sports ground and diversions of two kilometres high voltage.

Work starts during the spring 2009, and it is expected to be completed in early 2011.
