RESOLUTION ON THE NUMBER OF BOARD MEMBERS

The Nominations Committee proposes that the number of Board members elected by the Meeting remains unchanged at seven members.

Shareholders representing approximately 69 percent of the voting rights for all shares outstanding in the Company have announced that they will support the proposal.

DETERMINATION OF REMUNERATION TO THE BOARD, AUDITORS, AUDIT COMMITTEE AND REMUNERATIONS COMMITTEE

The Nominations Committee proposes that the Annual General Meeting resolve that the total fees paid to the Board, excluding travel expenses, be SEK 2,750,000 (2,750,000), with SEK 950,000 (950,000) to be paid to the Chairman and SEK 360,000 (360,000) each to be paid to those Board members who are not employed within the Trelleborg Group.

The Nominations Committee proposes the auditors' fees shall be based on an agreement regarding a cost level for the four-year mandate period, that is, until the close of the Annual General Meeting in 2012, with annual adjustment for exchange-rate fluctuations and changes in the salary cost index, as well as changes that significantly affect the scope of the work.

The Nominations Committee proposes that fees paid to those assigned to the Audit Committee be SEK 150,000 (150,000) for the Chairman and SEK 100,000 (100,000) each for other members.

Hans Biörck, who was born in 1951, is a Graduate in Business Administration, and Executive Vice President and CFO of Skanska AB. He was previously CFO of Autoliv Inc, and CFO of Esselte AB, where he also held other positions. Hans Biörck has been a member of the Henry and Gerda Dunkers Foundation and Donation Fund No. 2 since 2003 and is also a member of the Swedish Financial Reporting Board.

It is proposed that Anders Narvinger be re-elected as Chairman of the Board. Shareholders representing approximately 69 percent of the voting rights for all shares outstanding in the Company have announced that they will support the proposal.

DECISION REGARDING REMUNERATION PRINCIPLES FOR THE PRESIDENT AND SENIOR EXECUTIVES

The Board proposes that Trelleborg shall offer market-based terms of employment that enable the Company to recruit, develop and retain senior executives. The remuneration structure shall comprise fixed and variable salary, pension and other remuneration, which together form the individual's total remuneration package. Trelleborg continuously gathers and evaluates information on market-based remuneration levels for relevant industries and markets.

It shall be possible for the principles for remuneration to vary depending on local conditions.

The Board has appointed a Remunerations Committee that is led by the Chairman of the Board and decides on matters concerning remuneration and terms of employment for the President and executives reporting directly to him and establishes principles for remuneration to other senior executives. The Remunerations Committee reports to the Board.

DECISION ON APPOINTMENT OF NOMINATIONS COMMITTEE

Shareholders representing slightly more than 69 percent of the voting rights for all shares outstanding in the Company propose that the appointment of Board members be conducted, in principle, in the manner determined by the 2008 Annual General Meeting, meaning that a Nominations Committee shall be appointed within the Company, to operate for the period until a new Nomination Committee is appointed, for the preparation and presentation of proposals to shareholders at the Annual General Meeting regarding the election of Board members, the Chairman of the Board and, where appropriate, auditors and fees to the Board, members of Board committees and auditors.

The Nominations Committee shall consist of five members, comprising representatives of five major shareholders at the close of the third quarter, these being appointed in accordance with the following.

At the close of the third quarter, the Chairman of the Board shall contact five major owners in the Company, each of which shall have the right to appoint one member to the Nominations Committee, who should not be a Board member. If any of the major shareholders should waive their right to appoint a representative to the Nominations Committee, or if a member should resign or leave before his/her work is complete, the Chairman shall invite another major owner to appoint a member. In addition, the Nominations Committee can decide to include the Chairman of the Board in the Committee, although not as Chairman of the Committee. As part of the work of the Nominations Committee, the Chairman of the Board shall provide the Committee with an account of the conditions pertaining to the work of the Board and the need for any special expertise, etc., that may be of relevance to the nomination of the Board. Individual shareholders in Trelleborg shall have the right to submit proposals for Board members to the Nominations Committee for further evaluation within the scope of its work.

Information regarding the composition of the Nominations Committee shall be published not later than six months prior to the Annual General Meeting and in the Company's third-quarter interim report. The Nominations Committee shall have the right to charge the Company with costs for the recruitment consultants, if such are deemed necessary to obtain a suitable choice of candidates for the Board. The Nominations Committee shall report on its work at the Annual General Meeting.

THE BOARD'S PROPOSAL FOR RESOLUTION ACCORDING TO ITEM 16 ON THE AGENDA
As stated below, the Board of Directors proposes that the Annual General Meeting resolves to approve the rights issue, approved by the Board of Directors, with preferential rights for shareholders. As stated below, there are certain terms for the rights issue, such as the number of shares that shall be issued and the amount that shall be paid for each new share, to be determined and published at a later date. To create commercial flexibility pertaining to the determination of such terms, the Board is submitting two alternative proposals pertaining to the amendment of Section 5 of the Articles of Association (refer to proposal (III) (A) and (b) below), of which only one proposal can be adopted by the Annual General Meeting. Consequently, the Board will withdraw the proposal that the Board finds less appropriate in view of the final terms for the rights issue. To the extent the proposal under Item (V) is not necessary for the restoration of the company's equity and share capital, this will also be withdrawn by the Board. The withdrawal will be implemented in conjunction with the determination of the final terms for the rights issue (see below under item (IV)).

The reduction requires that the Articles of Association be amended according to Item 16.I. Following the reduction of the share capital, in accordance with the statement above, the company's share capital will amount to SEK 180,714,522, distributed in a total of 90,357,261 shares, each with a par value of SEK 2.00.

The Board proposes that the Annual General Meeting approve the Board's decision to increase the company's share capital through a rights issue with preferential rights for shareholders under the following terms.

The Board of Directors (or the person appointed from within the Board by the Board) is authorized to determine, not later than April 21, 2009, the amount by which the company's share capital will increase, the number of Series A and Series B shares that will be issued and the subscription price to be paid for each new share. In the event that the subscription price is less than the par value of the share, an amount corresponding to the difference between the subscription price and the par value of the share will be contributed to the share capital through transfer from non-restricted equity.

Each owner of a Series A and Series B share shall have preferential rights to subscribe for new shares of the same type in relation to the number the holder previously held (primary preferential rights). Shares that are not subscribed for using primary preferential rights shall be offered to all shareholders for subscription (subsidiary preferential rights). The record date for determining which shareholders are entitled to exercise their preferential rights to subscribe for new shares shall be April 28, 2009.

In the event all shares are not subscribed for using primary or subsidiary preferential rights, allocation shall occur to guarantors and other subscribers with no preferential rights.

Subscription for new shares shall occur during the period from April 30, 2009 to May 19, 2009, with the exception of certain guarantors for whom the subscription shall occur not later than May 29, 2009. The Board is entitled to extend the subscription period.

The company's share capital shall increase by SEK 2,078,217,003 without the issue of new shares. The increase in share capital shall occur through the transfer of funds from the company's non-restricted equity according to the adopted balance sheet.
