## **ProfilGruppen receives two year contract from Bosch Rexroth AG**

Bosch Rexroth AG has extended its contract with ProfilGruppen. The new contract makes ProfilGruppen a main supplier of aluminium profiles to Bosch Rexroth AG.

Bosch Rexroth is one of the world's leading specialists in the field of drive and control technologies. Under the brand name of Rexroth, tailor-made solutions for driving, controlling and moving machinery are created. Bosch Rexroth is a partner for industrial applications and factory automation, mobile applications and using renewable energies. In 2008 Bosch Rexroth AG, part of the Bosch Group, achieved sales of around 5.9 billion Euro with 35,300 employees.

"We are very proud to have been chosen as a main supplier of aluminium profiles to Bosch Rexroth AG. This position has been developed over a number of years and our ambition is to develop the same excellent relationship with other business sectors within the Bosch Group. This contract is one of the largest that ProfilGruppen has ever signed and will utilise a substantial portion of our anodising capacity during the coming two year period", says Nils Arthur, President and CEO, ProfilGruppen AB.
