Skandia's Investor Relations in the USA

Timothy J. Klahs has assumed the position of Vice President of Investor Relations in Skandia based in the USA. He will further develop and implement the American investor relations strategy for Skandia and report to Harry Vos, Head of the Skandia Group's Investor Relations in Stockholm.

Timothy Klahs will be responsible for ensuring that accurate information about American Skandia is provided to investors and analysts. In close co-operation with Wade Dokken, President of American Skandia, he will develop the company's information in order to highlight the significance of American Skandia for the Skandia Group's total result.
