## **Kamic Electronics makes public addendum to offer document regarding offer for ElektronikGruppen**

On 22 June 2011, Kamic Electronics AB ("Kamic Electronics") launched an offer in cash to the shareholders of ElektronikGruppen BK Aktiefbolag (publ) ("ElektronikGruppen"), to transfer all shares in ElektronikGruppen to Kamic Electronics. On 7 July 2011, Kamic Electronics made public the offer document (in the Swedish language) regarding the offer.

Kamic Electronics today made public an addendum to the offer document (in the Swedish language) regarding the offer for ElektronikGruppen. The addendum to the offer document has been prepared as a consequence of ElektronikGruppen, on 15 July 2011, publishing its interim report for the period January-June 2011.

The addendum (in the Swedish language) will be distributed to all directly registered shareholders in ElektronikGruppen and can be ordered at Remium, +46 8 454 32 70. The addendum will also be available at ABG Sundal Collier's office, Regeringsgatan 65, 5tr, 103 89 Stockholm, Sweden, as well as at Remium's office, Kungsgatan 12-14, 111 35 Stockholm, Sweden. The addendum is also available on [www.kamicgroup.com](http://www.kamicgroup.com), [www.abgsc.com](http://www.abgsc.com) and [www.remium.com](http://www.remium.com).

Any questions may be referred to:

Kenneth Lindqvist, representative of Kamic Electronics, phone: + 46 70 310 18 23

The information in this press release was submitted for publication at 08.00 CET on 18 July 2011.

### **The KAMIC group in short**

The KAMIC group consists of 14 European trade and agent companies within the following fields of technology:

- Electricity and electronic components
- Emergency lighting and lighting
- Safety products
- Back-up power, UPS, power supply, testing and measuring
- Equipment for the broadband market

The group is focusing on sale and marketing of quality products from world leading producers. With its strong technical competence, sensitivity for support and good delivery capacity, the companies within the group develop its business operations in a close cooperation with the customers. The KAMIC group's parent company, KAMIC AB, is wholly-owned by Kenneth Lindqvist.
