

Tobii Sono Flex finns nu även för Android™

STOCKHOLM, Sverige - November 2011 - Idag lanserar [Tobii Technology](#) Sono Flex Android, som redan finns för iPhone, iPad, iPod touch, PC och dedikerade samtalsapparater. Tobii Sono Flex är en programvara för (AKK) som förvandlar symboler till tal.

Med den nyttillkomna Android-appen fortsätter Tobii Sono Flex att överbrygga klyftan mellan konsumentelektronik och dedikerade kommunikationshjälpmedel. Sono Flex finns nu tillgängligt för både Android, iPad, iPhone och PC, vilket ger både befintliga och nya AKK-användare, en reell valfrihet att använda de smartphones, elektroniska läsplattor, persondatorer, och dedikerade kommunikationsapparater som passar deras behov och budget.

För mer information på engelska om Sono Flex som kan du läsa den engelska [full-längdsversionen av pressmeddelandet](#), besöka [Sono Flex produktsida på tobii.com](#) eller [den specialsida som skapats med mycket utförlig information om själva appen](#).

Please visit the Tobii Assistive Technology News Center www.tobii.com/atmediacontacts for press specific information, interview requests and product specific details on Sono Flex.

About [Tobii Technology](#)

Tobii Technology is the world's leading vendor of eye tracking and eye control, a technology that makes it possible for computers to know exactly where users are looking. Tobii eye-tracking technology has revolutionized research in many fields and enabled communication for thousands of people with special needs. Looking forward, Tobii's mission is to bring eye tracking into broader use, and some of that future is already here. The company provides market-leading eye-tracking technology to industrial partners in areas such as hospitals, diagnostics, vehicle safety, gaming and computer manufacturing. Tobii continues to realize its visions, showing continuous and rapid year-to-year revenue growth, and receiving numerous awards and recognition for its accomplishments. From its headquarters in Stockholm, Sweden, the company's reach is as broad as its vision. A truly global company, Tobii has offices in the U.S., Germany, Norway, Japan and China and works closely with a worldwide network of resellers and partners.
