

RMN Registered Mental Nurses Agencies' Jobs at Ambition 24hours

[Ambition 24hours](#) has new nursing agencies' jobs for RMN Registered Mental Nurses available immediately. Ambition offers amongst the highest rates of pay of all the UK nursing agencies, because of its reputation for providing specialist staff at very short notice, when other agencies fail. Ambition was the first agency to offer a full 24-7 service, 365 days a year. Nurses and HCAs can register at www.ambition24hours.co.uk - Facebook www.facebook.com/Ambition24hours Twitter <http://twitter.com/ambition24hours>

The employers of RMN Registered Mental Nurses staff choose Ambition 24hours for temporary staffing because the staffing agency offers an advanced system for UK compliance and safety in the management and booking of staff:-

- 1) Nurse registration and compliance: face-to-face interviews are mandatory to confirm language ability; completion of a 20-plus page registration form, is required including full details of career history and qualifications; four referees; original 'right to work', qualifications and training certificates; and an employer's report.
- 2) Compliance team: more than 100 dedicated staff obtain verified professional references from past employers, carry out Occupational Health checks for fitness to work, verify professional qualifications, apply for CRBs, and confirm mandatory training is certificated. A Quality Control team re-checks all data.
- 3) ICT System: the unique staff management system developed for nursing and HCA registration, compliance, selection and booking, results from 100,000 hours of development time in-house over six years.
- 4) The system safeguards: Enterprise only allows selection of agency staff after completion of registration: all relevant, employment, training & CRB checks and references are fully confirmed; and the work record is checked, verified again and finally cleared.

Ambition 24hours has nursing jobs available nationwide in the UK. In addition to RMN Registered Mental Nurses personnel there are placements for HCA healthcare assistants – and RN Registered Nurses, RGN Registered General Nurses, EN Enrolled Nurses; SEN State Enrolled Nurses, ENG Enrolled Nurses General, ENM Enrolled Nurses of Mental Health, RSCN Registered Sick Children's Nurses; RFN Registered Fever Nurses, and RM Registered Nurses; as well as Midwives and RHV Registered Health Visitors.
