

EN Enrolled Nurses Jobs at Ambition 24hours

[Ambition 24hours](#) has nursing agency jobs for EN Enrolled Nurses available now.

Ambition offers amongst the highest rates of pay of UK nursing agencies because of its reputation for providing specialist staff at very short notice, when other agencies fail. Ambition was the first to offer a full 24-7 service, 365 days a year. Nurses and HCAs can register at www.ambition24hours.co.uk.

Employers of EN Enrolled Nurses staff choose Ambition 24hours for temporary staffing because the staffing agency offers an advanced system for UK compliance and safety in the management and booking of staff.

Enterprise ICT system is the unique staff management system developed for nursing and HCA registration, compliance, selection and booking, and results from 100,000 hours of development time in-house over six years. For agency registration and compliance, face-to-face interviews are mandatory to confirm language ability; as well as completion of a 20 plus page registration form, is required including full details of career history and qualifications; four referees; original 'right to work', qualifications and training certificates; and an employer's report.

For booking safety, agency nursing & HCA healthcare staff are selected for shifts from verified data recorded on Enterprise ICT. Agency consultants can match the exact requirements of clients according to staff qualifications, experience and availability.

Ambition 24hours has nursing jobs available nationwide. In addition to [EN Enrolled Nurses jobs](#) and personnel there are daily placements for HCA healthcare assistants – and RN Registered Nurses, RGN Registered General, RMN Registered Mental; SEN State Enrolled, ENG Enrolled General, ENM Enrolled of Mental Health, RSCN Registered Sick Children's; RFN Registered Fever, and RM Registered Midwives - and RHV Registered Health Visitors.

EN Enrolled Nurses workers are provided for a range of healthcare settings: these include Primary Care GP surgeries; A&E Accident & Emergency; ITU Intensive Treatment Unit; ICU; Intensive Care Unit; HDU High Dependency Unit; CCU Cardiac Care Unit; SCBU Special Care Baby Unit; ENT Ear Nose & Throat; Renal Dialysis, Theatre and Maternity.

Other wards for which nursing agency and HCA staff are provided include: Recovery, Oncology, Acute Stroke, Neuro Rehabilitation, Surgical, Medical, Neurology, Ophthalmology and Urology.
