

Massachusetts Homeowner Wins \$10,000 in Free Home Improvements

Moonworks' Annual Sweepstakes Awards Attleboro Man with Home Improvements

WOONSOCKET, RHODE ISLAND – 06/21/2011 – Moonworks, a Woonsocket, RI based member of [Remodeling Magazine's Top 50](#) best home improvement companies in America, is pleased to announce that Larry Carpenter of Attleboro, MA is the winner of \$10,000 in home improvements.

"Each year we run a sweepstakes," explains James Moon, owner and President of [Moonworks](#), "and we are really excited about this year's sweepstakes because we felt it would allow the homeowners to do the improvements. With the warmer weather upon us, now is a great time to tackle any home improvement project."

As Mr. Carpenter expressed his excitement, he laughed, "Who couldn't use \$10,000 for home improvements?" He also realized that he had a tough decision to make- which product did he want installed on his house? Moonworks is currently working with Mr. Carpenter on determining which product(s) best suit his and his home's needs.

[Moonworks](#) is a full service home improvement company which offers, Gutter Helmet® Gutter Protection, gutters, Renewal by Andersen® Replacement Windows and Doors, Moonworks' Ice Defense Package, Mastic® home siding, GAF® roofing, Owens Corning® insulation and Repower Home™ solar hot water systems.

Currently, Moonworks is already running the new sweepstakes where a lucky New England homeowner will win their new Ice Defense package. Jim Moon explains, "Last year was such a brutal winter and we realized that there was a need for a comprehensive [ice dam defense solution](#). Our [Moonworks Ice Defense Package](#) includes a combination of Gutter Helmet, Heated Helmet, insulation and venting to help eliminate ice dams and frozen gutters."
