

## **24/7 Homecare Service with Ambition 24Direct**

For homecare or nursing, for family members or friends, [Ambition 24Direct](#) offers a 24/7 service

A division of Ambition 24hours, the agency can provide a care assistant or qualified nurse to visit the home to provide experienced homecare or private nursing - at any time of the day or night, for as long as support is required.

It is the reassurance of professional private nursing or home care, overnight if necessary, the agency says. Nurses and healthcare assistants are qualified and selected to ensure the highest standards of quality care provision for private nursing. The homecare agency also works in close partnership with Local Authorities, Primary Care Trusts (PCTs) and Strategic Health Authorities (SHAs).

### **Children's Services**

[Ambition 24Direct](#) can help at home with all the nursing support and care needed for a child - whether the parent requires the expertise of a qualified nurse or just an extra pair of hands to assist with personal care and domestic tasks.

[Ambition 24Direct](#) has experience with a range of conditions - such as autistic spectrum; brain injuries; cerebral palsy; challenging behaviour; learning difficulties; sensory impairment; spinal injuries; substance abuse; terminal illness and physical disabilities.

### **Detox**

Patients receiving treatment for alcohol or substance abuse can now choose treatment at home, with medical supervision from homecare staff at Ambition 24Direct. The nursing agency's detoxification support is often a practical alternative to a residential stay. It is a nationwide UK service, with the option of 24-hours a day or less frequent support.

### **Eating Disorders**

Specialist nurses and care workers with experience in the field of eating disorders can help with home care support and treatment for patients of all ages and varying conditions. Ambition 24Direct is experienced in implementing hospital plans and working together with other health care organisations, professionals, and families alike.

### **Mental Health**

Specialist nurses and support workers from Ambition 24Direct are trained and experienced in dealing with mental health issues for people of all age groups and backgrounds. Care and medication plans are developed and maintained in coordination with medical practitioners, social services, Primary Care Trusts (PCTs) and other relevant organisations. The goal is to ensure each person's individual medical and rehabilitation needs are fully met.

### **Older People**

By providing the best possible quality of care at home, Ambition 24Direct can enable older people to live a fuller and more independent life, free to make their own life-style choices day-to-day. Geriatric homecare for the elderly in many instances provides a practical alternative to residential care.

Ambition 24Direct can ensure a high standard of support and companionship in the comfort of the senior citizen's own home. Whether help is required for just a few hours each day or full time live-in care, overnight if necessary, Ambition 24Direct provides trained and qualified nurses and carers to meet all needs.

### **Oncology Care**

Ambition 24Direct provides 24-7 home support, including live-in care, for patients of all ages who are undergoing cancer treatment. Specialist nurses and carers will help patients and their families with their medical and care needs, in liaison with the GP and other health care providers. A national and international service is available.

### **Rehabilitation**

To assist rehabilitation after a stay in hospital, and to ensure a speedy return home, [Ambition 24Direct](#) can often help to facilitate an earlier discharge date by putting care in place. This can be by prior agreement directly with a GP or hospital consultant. This support enables patients to recuperate in the comfort and familiarity of their own homes.
