Bernhardt Wealth Management Named Top RIA Again

McLean, Va. (August 3, 2011) – Bernhardt Wealth Management, a Virginia-based financial advisory firm, has been named to *Financial Advisor* magazine's list of [Top Registered Investment Advisors \(RIAs\)](#). The 2011 rankings appeared in the July 2011 issue. This national survey ranks RIAs by total assets under management.

“Bernhardt Wealth Management is proud to be named among such a prominent list of well-respected firms,” said Gordon J. Bernhardt, the company's president and founder. “We believe it is our commitment to building long-term relationships based on ethics, service and trust that has allowed us to continue helping a growing number of people make better decisions about their money and their lives.”

In an accompanying article, *Financial Advisor* magazine points out that investors and investment advisors are starting to bounce back from the economic fallout of the past few years. In 2010, RIA's average assets under management rose 19.80%, their total number of clients increased 12.01%, and the median assets per client increased by 6.13%.*

Financial Advisor magazine's annual RIA ranking is based on the percentage of growth in assets under management from the previous year. The complete 2011 Top RIAs list can be found at fa-mag.com/docs/FA_July2011_RIASurvey_OnlineRanking.pdf.
