

Goalie Soccer Shop Is Now Open!

A Website Dedicated to Soccer Goalkeepers Of All Ages And Skill Levels

Cumming, GA August 14, 2011 -- [Goalie Soccer Shop](http://www.GoalieSoccerShop.com), www.GoalieSoccerShop.com, is a new website devoted to the soccer goalkeeper. While the goalkeeper is one of the most important and most difficult positions (mentally and physically), the goalkeepers are rarely given the respect they deserve in online and physical soccer stores. This online retailer specializes in [soccer goalie gloves](#), soccer goalie jerseys and other specific soccer goalkeeper gear.

"The purpose in launching this new website is to give some attention to a very important player and position who is usually overlooked in other stores and websites," says owner Jason Abney. The goal is to make it easy to shop for that special goalie in your life by providing goalie kits based on age and skill level allowing you to get all the soccer goalkeeper equipment you need in one place. So whether you are looking for soccer goalie gloves, goalie jerseys, goalie shorts or tips on how to be a goalie, Goalie Soccer Shop is your best destination for all your soccer goalie gear and information.

Initially Goalie Soccer Shop has teamed up with leading goalkeeper gear manufacturer Uhlsport. Based in the south-west area of Germany, Uhlsport has been working with goalkeepers since 1948 and has specialized in goalkeeper gloves since the late 1960's. Uhlsport is a leading brand known around the world for their goalie gear and sponsor some of the great goalkeepers like Pepe Reina from Spain and Liverpool and Ursula Hull (GER) and Hedvig Lindahl (SWE) from the 2011 Women's World Cup.

When asked if he had a personal favorite Uhlsport glove, Goalie Soccer Shop owner Michael Carter responded, "I really love the [Cerberus Supersoft Bionik glove](#). The palm has great holding power and the Bionik finger protection is fantastic." Just in time for the 2011 Fall season that will soon kick off, Goalie Soccer Shop is ready to take your orders for all of your goalkeeping needs!

About Goalie Soccer Shop

Goalie Soccer Shop was founded by Jason Abney and Michael Carter, two long time soccer fans and players and also fathers of goalies. Both Mr. Abney and Mr. Carter have been playing soccer their whole lives and have also taken on coaching roles and goalkeeper trainer roles. Goalie Soccer shop was created out of the frustration of not being able to find the goalkeeper gear they needed for their children locally or online.
