## PRESS RELEASE

### **Haldex establishes platform for further growth in Brazil**

*Landskrona, Sweden, August 29, 2011*

**Haldex do Brazil is preparing for growth in the South American markets in the years to come. In order to take advantage of this opportunity Haldex has decided to develop a new facility in São José dos Campos.**

The activities in São Paulo and Flores da Cunha are going to be moved starting in December 2011 and the activities at the present Rio de Janeiro site starting January 2012. The project is planned to be finalized by February 2012. Projects costs will be covered by the improved cost structure from the centralized operations.
