During August 2011, the exercise of warrants originating from the warrants program established during 2008 has resulted in an increase in the number of B shares by 22,000 and an increase in the total number of votes by 2,200.0. The exercise during the same period of warrants originating from the warrants program established during 2009 has resulted in an increase in the number of B shares by 1,000 and an increase in the total number of votes by 100.0.

On August 31, 2011, the total number of shares in the company amounted to 26,479,922, of which 1,375,008 were A shares and 25,104,914 were B shares. The total number of votes in the company amounted to 3,885,499.4.

On August 31, 2011, IFS held 899,149 B shares in own custody, which were repurchased during 2010 and 2011. Pursuant to a decision adopted at the annual general meeting held on March 25, 2011, a process is pending pertaining to the reduction of the share capital by 10,000,000 Swedish kronor, equivalent to 500,000 B shares.
